and landscape a picnic center for use of persons attending events, or just want a place to "go out for a picnic."

As funds become available we would like to include recreational equipment to provide enjoyment to persons living within the area served by the Pamplin Post Office, and their friends.

We would like to have suggestions from persons of all ages, as to what would appeal to them. To help get this we are inviting children of the 4th, 5th and 6th grades in Pamplin and students of the mid and high schools to turn in essays for our guidance.

Prizes will be awarded for the 4th grade boy and girl judged to have the best essay. Same for the 5th and 6th grades, $5.00 for each winner.

There will be 1st, 2nd and 3rd prizes awarded to the top essays from the mid and high school, combined. Prizes 1st $25.00, 2nd $15.00, 3rd $5.00.

Judges will not be associated with the Ruritan Club and will be appointed through the school system.

We do want all of the papers, however, so although a student may not win a prize, there may be ideas of value to the project.

The contest will end April 28 and prizes will be presented to the winners on or about May 13. Names and essays of winners will be publicized.
